

Desmond

Dearest Des,

I am writing this letter to you as you leave for prison. And I've hidden it in the one place you would turn to in a moment of great desperation. I know you go away with the weight of what happened on your shoulders. And I know that the only person who can ever take it off is you.

Sorry to be so dramatic, but these are dramatic times, are they not? Please don't give up, Des. Because all we really need to survive is someone who truly loves us. And you have her.

I will wait for you. Always.

I love you, Pen

Dear Mr. Sawyer,
You don't know who I am. But I know who you are. And I know what you done. You slept with my mother. And then you stole my dad's money all away. So he got angry and he killed my mother. And then he killed himself, too.
All I know is your name. But one of these days I am gonna find you and I am going to give you this letter so you'll remember what you done to me. You killed my parents, Mr. Sawyer. You don't know who I am. But I know who you are. And I know what you done. You slept with my mother. And then you stole my dad's money all away. So he got angry and he killed my mother. And then he killed himself, too.
All I know is your name. But one of these days I am gonna find you and I am going to give you this letter so you'll remember what you done to me. You killed my parents, Mr. Sawyer. You don't know who I am. But I know who you are. And I know what you done. You slept with my mother. And then you stole my dad's money all away. So he got angry and he killed my mother. And then he killed himself, too. All I know is your name. But one of these days I am gonna find you and I am going to give you this letter so you'll remember what you done to me.

You killed my parents, Mr. Sawyer.
